Fayette-17	Fay-OH Library-6-19-2017	7/26/2017	Public Library	<p>We have a children's garden started by a local garden club and then abandoned. It had become overgrown. There also some vines and pplants that have gotten too close to the back of the building. The garden needs weeded and mulched. Things need pruned; A couple of small stumps removed. Maybe help make some small signs. Maybe seal a cement table and bench. Also, help with moving books inside library. We want to rearrange to free up room on shelves.</p>
Fayette-18	Fay-MBHS-6-19-2017	7/24/2017	School	<p>Paint exterior entry ways to high school and middle school. Paint metal gates to the high school and gym parking lot. Weed and mulch around the high school building. Replace old landscape timbers around the high school.</p>
