<b>Wyo-1</b>	Wyo-Twin Falls Resort State Park	July 20-21;24-26	Twin Falls Resort State Park Cody Cochran, Scott Durham, Randy Hash	Government	We would be building a new section of trail that would connect the trail built in 2013 to a previous trail on the park. There would be two starting parts for this project. Half the scouts would start at the summit trail that was made on the last Jamboree. This is located right beside Twin Falls Resort State Park's driving range the other half of the scouts would start working at the twin oaks trail just a few miles from the intersection in saulsville. The two groups would work from each end of the trail towards each other completing as much as they can during the five days. Both areas have a paved parking area for the buses to use during this project.
